**INFORMATION ABOUT TOEFL TEST SCORES**

Three section scale scores and a total scale score are reported for the computer-based TOEFL. The three scaled section scores are for Listening, Structure/Writing, and Reading. The essay rating is part of the Structure/Writing score; it is also reported separately on this form.

On the computer-based test, the total scaled score ranges from 0 to 300\*, with each scaled section score ranging from 0 to 30:

| Sections           | Scale Scores   |
|--------------------|----------------|
| Listening          | 0 - 30         |
| Structure/Writing  | 0 - 30         |
| Reading            | 0 - 30         |
| <b>Total Score</b> | <b>0 - 300</b> |

Essay ratings, which are not scale scores, range from 0 to 6. As raters read the essays, they apply the descriptors that are listed on the back of this report.

**Photocopies of TOEFL  
score reports should  
NOT be accepted for  
any reason.**

\* On the paper-based score scale, total scale scores range from 310 to 677, and section scale scores from 31 to 67 or 68. Approximate score equivalencies between the computer-based score scale and the paper-based score scale are available in the TOEFL concordance study.
